Music and Mayhem in Licking County Players' production of *No Way to Treat a Lady*

It's a musical. It's a thriller. It's a comedy. No, wait...its *No Way to Treat a Lady*! This show is written by Douglas J. Cohen and is based on the novel by William Goldman.

The best part of this 1987 off-Broadway musical is the types of music presented: ballads, soft-shoe ditties, jazz and more. While the music has a wide array, so do the characters. The plot revolves around the suspect, who is a publicity-crazed actor turned killer and a detective who is trying to prove himself. They take us through many locations, some of them the site of vicious crimes. In the end we are left with a dynamic evening of music and a shocking conclusion to the show. One advisory to note, there is some adult language.

Tickets for this thrilling musical comedy are available online day or night at www.lickingcountyplayers.org or call our Box Office at 740-349-2287. Box office hours are Tuesday through Friday from 7 to 9pm during performance weeks. Single ticket prices are \$15 for adults, \$13 for seniors and students. Performances are at 8pm on:

Thursday, May 12 Thursday, May 19

Friday, May 13 Friday, May 20

Saturday, May 14 Saturday, May 21

Matinee performances are at 2pm on Sunday, May 15 and 22. All performances are located in an intimate theatre at 131 West Main Street in downtown Newark. Check out our website www.lickingcountyplayers.org This production is produced by special arrangement with Samuel French, Inc.

An Evening with David Crosby & Graham Nash

April 27

As a duo, longtime creative partners David Crosby and Graham Nash bring out the best in each other, their distinct yet complementary styles balancing an equation that delivers a seamless and inspiring musical whole. Two-thirds and one-half, respectively, of Crosby, Stills & Nash, and CSNY, these Rock and Roll Hall of Famers are legendary for their airtight and crystal-clear vocal harmonies, as sublime when delivered by simply these two together as they are from the larger configurations. It is a sound that's one of the true touchstones of the rock 'n' roll era.

Boney James

April 29

Billboard names Boney James the #3 Top Contemporary Jazz Artist Of The Decade just behind Norah Jones and Kenny G! Making his saxophone sing like a human voice -- that's BONEY JAMES. Soulful and gifted, the three million-selling saxophonist and songwriter is one of today's most respected and best-selling instrumental artists and performers. Nominated for a Grammy with Don't Let Me Be Lonely Tonight, Boney furthers his longstanding reputation as a major force in both the worlds of Contemporary Jazz and R&B.
