The Scarecrow contest will go along with this final Friday event. Please have your scarecrow decorated by Sept. 26th. so that they can be voted on by the public with a non perishable food item which will be donated to a local food pantry.

Party on the Roof

Thank you to the 15 DNA members who stepped up & volunteered at the Party on the Roof. It was greatly appreciated. Between the Music & Wings Fest & Party on the Roof the DNA earned over \$1200. through the partnership with the City. We can only continue this partnership if we supply enough volunteers. According to the DNA by laws, Article 3, Section 3 "...the amount of dues shall be set resolution of the membership **and shall include a service commitment of not less than 12 hours per year**".

There has been discussion of raising the membership dues of those who do not contribute their 12 hours. We don't want to do this, so please try to do your 12 hours per year.

Season Tickets available for Licking County Players 46th Season

Licking County Players, the area's only all-volunteer community theater announces its 46th season. The troupe, along with its seasoned veterans, welcomes you to enjoy the magic of live performances in our comfortable air-conditioned venue, where there is never a bad seat in the house.

The 2011-2012 year-round season begins with the Civil War drama *Bridegroom of Blowing Rock*. Then the theater follows-up with the silliness of *Nunsensations*. After the holiday break, LCP laughs at *The Trouble with Cats*. When the winter nights become chilly, warm-up with sultriness in the thriller *Monique*. Then things totally break loose with the hilarious *Complete Works of William Shakespeare (Abridged)*. Afterwards we enjoy the musical *She Loves Me*. Following that is the comedy *Messiah on the Frigidaire*. And the season finale will be the family favorite Roald Dahl's *Willy Wonka Junior*.

It's going to be quite a season fitting eight productions into twelve months, and LCP's season ticket prices remain the best entertainment value in Central Ohio. All full-season ticket holders can see one performance of each of the 8 productions for the price of only 7, a great savings and value in today's economy. New for this season are special ticket packages for those who want to save money without purchasing a full-season ticket. Packages are available for Snow Birds, Music & Laughter, and the customized Pick Five. For details on season tickets, visit the website lickingcountyplayers.org or call our Box Office (740) 349-ACTS. Licking County Players is an award-winning community theater. The purpose of this volunteer-operated non-profit group is to promote, preserve, and perform all types of living theater year-round.
